MEMORANDUM

THE OWNERS, STRATA PLAN VIS 40
STRATA NAME SHANGRI-LA

COUNCIL HAS TWO (2) SEATS AVAILABLE

Hello Owners,

Council has two (2) seats available for this term and is seeking to fill those seats.

We would like to invite owners who are interested in joining Council for the term of December 2021 - December 2022. We hope you would consider joining. Our goal is to improve our communication to all owners and beautify our building and find ways to save money. We are very passionate and motivated to work towards these goals, and we would like more helping hands to spread out the work that is needed for our building.

Your contributions would help us discuss how to implement and improve our organization procedure, policies and bylaws.

As well, if you have an area of expertise or that you are interested in we'd love to have you join us. For example, if you are handy we are looking to create a building committee to help with things as simple as replacing light bulbs and doing walkabout inspections to monitor the condition of our building. This will help us cut our costs for an on-call maintenance person for small things.

Anyone with a green thumb who would like to help out with gardening? We are looking for a person to be the liaison between the owners and our gardener to help keep our grounds beautiful.

If you have any questions or are interested in joining us, please email Council at council@strata40.ca

Thank you for your consideration, and we look forward to hearing from you.
